6. The Bidi Shankaraya Chattrams have at present a scale of expenditure amounting to Rs 1401 per year, including 150 Rs for Chikballapur chattram which has recently been withdrawn (Vide Muz 7-2) and a reserve of Rs 115 per annum. Owing to the large influx of pilgrims to the Bidi chattram on the way to Subramanya, the allotment made for feeding therein is not quite adequate and the Muzrai Comr. proposes a redistribution the grants of the above chattrams.

	2. The points on which explanation was called for and the explanation given are noted below in juxta position. —	
	Question	Answer
	1) The present provision for daily feeding in the Sakleshpur chattram being Rs 240/- p.a. and Rs 100/- for feeding at the time of the Champa Shashti festival, will Rs 30/- p.a. suffice for the issue of raw rations in the chattram?	1) Brahmin travellers coming to Sakleshpur are few & far between and the stoppage for feeding, though unauthorised has not entailed any ~~addition~~ hardship & that even during the time of the Shashti festival at Subramanya the number of people taking advantage of the supply of raw rations is becoming fewer & fewer, as can be judged from the yearly expenditure. As raw rations are issued for 20 days in the year, a provision of Rs 30/- is sufficient. The annual provision of Rs 100/- for feeding at the time of the Shashti festival, was defrayed from the Bisle chattram ~~funds~~ Hundik.

	2) Why a fresh provision of Rs 180/- p a. has been made for the Pay and Paditara of the Bisle chattram Anjaneya temple, when there is no provision for it ~~at all~~ now?	2) The idol i.e. the wooden image was consecrated in 1921 and the puja revived. Considering the situation of the chattram at the head of the ghat, a pay of Rs 10 to the archak & Rs 5/- per mensem for paditara appears to be reasonable and necessary.
	3) Why has the provision for the allowance of the Sahlesapur chattram Paranik been raised from ~~Rs~~ Rs 87 to Rs 96 -	3) The Paranik was getting one seer of rice per day & in commuting this into cash payment, Rs 4/- has been fixed as the cost of 7 seers of rice & Rs 4/- for condiments.
	4) Why has the pay of the Bisle chattram watchman been raised by Rs 3/- p m.	4) As the watchman has to be in the chattram always and to keep the extensive chattram buildings clean and tidy & as it is extremely difficult to find reliable servants in a place like the Bisle-ghat, the pay proposed seems to be necessary —

It is represented that the chattrams at Sakleshpur & Bisle are subsidiary to the Barahagar Sanstapane and ~~therefore~~ have to be considered as one institution and that therefore their being mixed up ~~is not irregular~~ is correct.

A statement showing the existing & proposed scale of expenditure under each of the Chattrams has been furnished. This is in reference to para 14. Supra.

It is held that the Muzrai Commissioners proposal in respect of the Sakleshpur Chattram ~~is~~ amounts to a total abolition of the Chattram except for the provision of Rs 30/- for the issue of rations during Shasti season. Further as the Chattram building is reported to be situated within the Compound of the Sakaleswaraswami temple and affords shelter to casual visitors & pilgrims and that therefore its entire abolition is not considered desirable. It is reported That On the score of inadequacy of funds under the Kasdik allotment to the Subramanya Swami temple the cost of the pay of the Kleyare Parpattegar & of his watching Expenses connected with the taking of Prasada

It was in view of the representation of the Contractor that some time & later when genuine grievances if any have been given ample opportunity to be heard in the matter as he requested. [illegible] 8/7

S I R,

Referring to concluding portion of para 2 of this office letter dated 27th February 1923 and Government Proceeding No.2903-4 M.F.350-22-3 dated 26th May 1923 regarding the travelling and other incidental expenses in connection with the presentation of Thirtha and Prasada from the Sri Subrahmanyaswami temple to His Highness the Maharaja, I have the honour to submit herewith a statement containing a revised scale of expenditure in the chattram at Saklespur and Bisle, Manjarabad Taluk. The Deputy Commissioner's opinion in the matter was taken and the statement compiled in this office with some modifications.

2. For reasons given in the statement against item No.2, the stoppage of feeding in the Saklespur Chattram and the introduction of the system of issuing raw rations may be sanctioned, the allotment for the purpose being limited to Rs.30/- a year.

3. The allotment for conducting feeding in the Bisle Chattram may be raised to Rs.500/- having regard to its unique position and the number of pilgrims that resort thereto.

4. As the present Parpathegar, K.K. Srinivasa Rao, is rendering satisfactory service, it is proposed to give the Parpathegar a pay of Rs.5/- a month out of the combined grants of the chattrams, the present allotment of Rs.2/- being included.

5. The Deputy Commissioner has suggested that Rs.50/- may be set apart for travelling allowance to non-official members. But as

P.T.O.

the non-official gentlemen have not made any representation in the matter of the travelling expenses incurred by them, the consideration of the question may, I think, be ~~deferred~~ deferred, especially in view of the decision already arrived at by Government on the recommendation of the late Muzrai Commissioner(Vide your letter No.1809/M.F.213-22-14 dated 29th November 1922)

ndly be explained—

The present provision for daily feeding in the Sakleshpur chattram being Rs 240/- per annum and Rs 100 for ~~xxxx~~ feeding at the time of the Champa Shasti festival at Subrahmanya (besides the pay of the chattram establishment), will Rs 30/- per annum suffice for the issue of raw rations in the chattram?

2) Why a fresh provision of Rs 180/- per annum is made for the pay and Padikara of the Bisle chattram Anjaneya temple, when there is no provision for it at all now?

3) What is the need for raising the allowance of the Sakleshpur chattram Paramik from Rs 84 to Rs 96 and that of the Bisle chattram watchman from Rs 84 to Rs 120?

Secretary to Government of His Highness the Maharaja
of Mysore, Revenue Department.

SIR,

With reference to your letter No. 1365/M.F. 192-23-4 dated 4th April 1924 re revision of the scale of expenditure in the Chattrams at Bisle Ghat and Sakalespur, I have the honour to state as follows:==

1. Feeding in Sakalespur Chattram was stopped several years ago by the local officers and the irregularity was pointed out in the notes of the late Muzrai Superintendent dated 13th April 1922. But as the Deputy Commissioner, Hassan District, has pointed out in his letter dated 7th August 1922 to the Muzrai Superintendent, this unauthorised action does not seem to have been an undesirable measure, that the bulk of the allotment for the daily feeding went to feed the servants of the Sakaleswaraswami temple, the two institutions being situated in the same compound. In his report dated 18th August 1923 the Amildar states, that Brahmin travellers coming to Sakalespur are few and far between and the stoppage of feeding has not entailed any hardship Even during the time of the Shasti festival at Subrahmanya the number of people taking advantage of the supply of rations is becoming fewer and fewer as can be judged from the yearly expenditure. Agreeing with this view, the Deputy Commissioner has suggested [illegible]

rice dolls may be served to the poor pilgrims that go there, and that an allotment of Rs.30/- is sufficient. As rations are issued for about 20 days in the year, I am of opinion that the proposed allotment is adequate. It may be noted here for the information of Government, that the sum of Rs.100/- provided for annually for feeding at the time of the champa Shasti festival was not met out of the Sakalespur chattram grant, but the expenditure was being defraved from the funds of the Bisle Chattram tasdik grant.

2. The idol of Sri Anjaneyaswami, which was lying unworshipped, was consecrated in 1921 and the puja was revived. With a view to the conduct of regular worship, and to make provisions for a Brahmin servant in the chattram situated as it is at the head of the Ghat where no other accommodation could be got, a provision of Rs.15/- a month as per details in the margin was made with the

Pay of archak	Rs.10-0-0	agreement of the Deputy Commissioner
Paditara & Deeparadhane	Rs. 5-0-0	Having regard to the unhealthiness

and forlorn-ness of the locality the pay proposed seems to be reasonable.

3. The puranik was entitled to get one seer of rice with condiments per diem, and in commuting this into cash payment, varying sums seem to have been paid month after month. Calculating rice at the rate of 7 seers per rupee a provision of Rs.4/- towards the cost of rice and an equal sum for condiments is made now. The purana work is reported to be satisfactorily done ~~is~~ by Vedvan Sura Sastry whom His Highness the Maharaja also honored for his learning.

As the watchman has to be in the chattram always and has besides to keep the extensive chattram buildings clean and tidy and as it is extremely difficult to find reliable servants in a place like Bisle-Ghat, an increase of Rs.3/- was proposed by the late

P.T.O.

late Muzrai Superintendent on the personal representations of the local officers and this was agreed to, by the Deputy Commissioner. The pay proposed seems to be necessary.

I have the honour to be,

Sir,

Your most obedient serv nt,

Muzrai Commissioner.

From

K. Chandy, Esquire., B.A.,
Muzrai Commissioner in Mysore,

To

K. V. Anantaraman, Esquire., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to your letter No.1613/M.F.192-23-6 dated 6th May 1924 re revision of the scale of expenditure in the chattrams at Bisle and Sakalespur, I have the honor to state as follows:--

2. As required in para 1 of your letter a statement showing the existing and proposed scale under each head of expenditure in respect of each of the chattrams is submitted.

As regards the observation made by you to the effect that the scales of the two chattrams have been mixed up together, I beg to --- invite kind reference to para 4 of my letter dated 5th July 1923 and 3 nos 16-77 dated 18-1-23 thereon and to state further that for purposes of administration the three institutions, viz., chattrams at Bisli and Sakalespur and Barahazar Santarpane have to be considered as one Institution and the two former as subsidiary to the latter as they are intended solely for the benefit of the pilgrims proceeding to and from Subrahmanya.

3. As regards the abolition of the chattram at Saklespur referred to in para 2 of your letter, I beg to state that the proposals now -- made by me amount to a total abolition of the chattram but a small -- provision of Rs.30/- is proposed to be retained for issue of rations during Shasti season, the daily feeding in the chattram having been stopped several years ago for reasons explained in my letter of the 16th April 1924. The building being situated within the compound of the Sakaleswaraswami temple, its disposal otherwise is not recommended as it will afford shelter to casual visitors and pilgrims proceeding

proceeding to Subrahmanya and it will be left in charge of the temple servants, the small charges on account of periodical white-washing etc. being met out of the annual provision made under "reserve" in the scale (vide para 2 supra).

4. As required in para 3 of your letter, a statement of the scale of expenditure of the Subrahmanya temple out of the tasdik grant is appended hereto.

As regards your query as to why the pay of the Mysore Parpathegar at Subrhamanya and also his travelling expenses for taking prasada to Mysore should not be met out of the tasdik grant of the Subrahmanya -- temple, I beg to state that the tasdik, small as it is, does not allow of any recurring expenditure being added on to it. In this connection I submit for reference an extract from Mr. Jeyarama Iyer's notes of inspection from which it will be seen that the present allotments under each head of expenditure is quite inadequate in view of the prevailing high prices and that an enhancement of the grant is necessary if the services are to be continued in an efficient condition. Proposals in this respect have not however, been submitted owing to present financial stringency. In these circumstances it is not possible to provide for the pay of the Parpathegar and also his travelling expenses out of the temple tasdik.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

KSR.

Inspection notes of Mr. T. E. Jayarama Aiyer's regarding Chattrams at Bisle and Saklespur and of the affairs connected with the annual Baranazar sartarpane.

X X X

"It is represented that the allotments for Nityakatle expenditure are all very inadequate in view of the prevailing high prices -- and that an enhancement of the grant is absolutely necessary if the services are to be continued in an efficient condition. The members of the establishment also ask for increased pay.

The question of enhancing the pay of the Mysore Parpathegar whose emoluments are quite disproportionate to the duties and ------ responsibilities attached to the office has been pending disposal for a considerable length of time. The present Parpathegar K.A.Srinivasa Rao is a very painstaking and conscientious official and deserves --- encouragement. He is not on very good terms with the present manager Mr. Anantha Rama Sarma, but he is not to blame. The latter is acting in a very high-handed and arbitrary manner and this has made the --- position of the Parpathegar by no means enviable. The Parpathegar -- represented to me that the amounts intended for establisment and --- nityakatle expenses were being remitted to him directly from the Taluk Office formerly but that this wholesome practice was discontinued when Mr. K.C.Subbarayan was Amildar, for reasons not known to him. The amount is now received by the temple manager and there are ample --- reasons to believe that the amount allotted for nityakatle expenses is not properly applied. The parpathegar used to maintain regular accounts when the amount was being received by him and no accounts worth the -- name are now maintained. The utility of keeping a parpathegar is not apparent if his services are not fully availed of in exercising proper control over the administration of our charities. As the present ---- arrangement is not working satisfactorily in as much as the Manager is not making payments every month but once a year or so though he receives remittance regularly every month, the money will be sent hereafter to the Parpathegar who will make necessary disbursements and maintain accounts.

The parpathegar should be paid at least Rs.10/- a month as pa-

pay together with a contingent grant of Rs.2/-. This will result in a net excess expenditure of Rs.100/- a year and ways and means to meet this additional amount will be pointed out in the succeeding paragraphs of this note. In view of the present financial stringency the allotments under the other items of expenditure should remain as they are for the present."

The Muzrai Commissioner

Sir,

With reference to your letter No.C.1746 of 1922-23 dated 5-6-1924 regarding the revision of the scale of expenditure in the Saklespur and Bisle Chattrams, I am directed to ~~state~~ require whether ~~that~~ the Saklespur Chattram may be abolished altogether, and to request that the existing and the proposed scales of expenditure in the Saklespur and Bisle Chattrams as well as the Sri Subrahmanya temple may be submitted separately for each institution. In case there is a saving in the Tasdik of any institutions, it should not be used for the purposes of another ~~and~~ but should be shown as a saving and necessary action taken to invest the same. If extra expenditure is required for a revision of the scale of an institution ~~a special~~ an extra grant ~~will have to be sanctioned~~.

~~2. As regards the scale of proposed in the Statement submitted with your letter under reply, I am~~ to request information that may be furnished on the following points:-

(1) On what basis is the expenditure of Rs. 500 for the feeding in Bisle ~~that~~ Chattram proposed? What is the Income Expenditure incurred under the head annadanam for the last 3 years

(2) What is the necessity for the new expenditure of Rs. 180 per year ~~being~~ towards the pay of Archak &c. of the Anjaneya shrine in the Bisle Chattram?

(3) What is the need for the services of a Puranik in Saklespur Chattram? ~~Even if there be any now the appointment should cease after the present incumbent's death.~~

How long has this expenditure been incurred & what is the authority for it? Who was his predecessor Puranik. When was he appointed last & place

(4) What are the contingent and other expenditure for which a sum of Rs. 20 has been proposed.

The following points may also be noted.

(5) The percentage contribution for the Muzrai Establishment Fund requires to be suitably modified.

(6) The amount proposed to be reserved for supplementing Barahazar Santarpane Viz: Rs. 374/- should be shown as savings as separate arrangements are under contemplation for extra expenditure due to Barahazar Santarpane.

(7) The sums of Rs. 36/- for pay of Mysore Parpathegar at Subrahmanya and Rs. 60/- for Prasada and T.A. of the Brahman proceeding to Mysore on the occasion of H.H. the Maharaja's Birthday should be brought under the scale of expenditure of the Subrahmanya temples.

3. I am to request that the scales of expenditure of the two chattrams and of the temple may be revised on the lines above indicated and the revised scales submitted to Government early for orders.
